

Message from Marcel Bazin :

« Dear colleagues and friends of AESOP,

The time for retirement has come for me after twenty-six years at the head of IATEUR, our department of City and regional planning in Reims. The various contacts I had with so many colleagues from member schools of AESOP along all this time, and especially when I was in the Executive Committee (1994-1999, including the charge of President from 1996 to 1998), in annual ongresses, business meetings as well as in bilateral cooperations and exchanges, have brought me much "added value" in my academic and social life.

I'll ask you to welcome in AESOP my successor at the head of our Institute, Emmanuelle Gillet-Lorenzi, Associate Professor (*Maître de conférences* in the French system) of Planning ([emmanuelle.lorenzi@univ-reims.fr](mailto:emmanuelle.lorenzi@univ-reims.fr)), and to pursue and reinforce various links between IATEUR and other AESOP member schools.

As for me, I'll keep the link with AESOP through individual membership, and I give you my home address for further contacts : 35 rue de Saint-Brice, F-51100 Reims, tel/ fax 00.33/326.40.62.16, E-mail [marcel.bazin@orange.fr](mailto:marcel.bazin@orange.fr).

With best regards,  
Marcel »
