

# AESOP Database

## Part I. Institutional Information

University Name (native language)	Technische Universität Wien
University Name (English name used for your university)	Vienna University of Technology
School/Department name (Native language)	Fakultät für Architektur und Raumplanung
School Department name (English equivalent)	Faculty of Architecture and Planning
AESOP reg Number	
Postal Address:	1040 Wien, Karlsplatz 13
Phone:	+43 1 58801
Fax:	
URL:	www.tuwien.ac.at
Country:	Austria

**AESOP Member Status:** Full/ Associate/ Affiliate/ Individual/Honorary (should this not be something AESOP provides?)

## Part II. Contact persons/School Information

<b>a. Head of School/Department</b>	
Surname, First name	Kanonier, Arthur
email	Kanonier@law.tuwien.ac.at
telephone/Fax	+43-1-58801-26513
Does the HoS currently hold an organisational role with AESOP? (please tick appropriate) (please specify, eg. Country representative, AESOP president etc)	NO

<b>b. AESOP School representative (needs to be an alternative/additional contact to HoS)</b>	
Surname, First Name	Schimak, Gerhard
Email	Gerhard.schimak@tuwien.ac.at
Telephone/Fax	+43 1 58801 40130
Does the representative currently hold an organisational role with AESOP? (please specify, eg. Country representative, AESOP president etc)	Country representative

<b>c. How many academic staff work in the planning school/faculty</b>	<b>46 (only planning, not architecture part of faculty)</b>
How many of the staff members are full-time	27
How many are part-time	19
How many are actively engaged in research (i.e., obtaining and working research grants)	Ca. 30
How many are engaged in professional activities in addition to teaching	Ca. 15

**d. Other individuals in the School/department occupying an organisational role with AESOP** (to be provided through AESOP secretariat)

### Part III: Degree Programmes and Educational Provision

A. Undergraduate/first cycle degree(s) offered at School/Department (please answer questions separately for each degree )				
Planning Degree title/name	<ul style="list-style-type: none"> <li>- Raumplanung und Raumordnung</li> <li>- Urban and Regional Planning</li> </ul>			
Number of years normally used to complete this degree(FT)	- 3			
Is there are part-time option to complete this degree?	- -			
If there is, please state the number of years usually required for completing the degree part-time (PT)	- -			
Delivery mode (on campus/ distance learning)	- On university			
How many ECTS:	- 180			
Teaching Language(s)	- German			
	Students from your country	Students from the EU	Non-EU students	Total
Number of Students graduated 2006 (total, national, EU, non-EU)  We started with the bachelor-program in 2005; for this reason we will have the first graduates this semester <b>Beginners</b>	114	24	5	143
Number of <b>Beginners</b> 2007 (total, national, EU, non-EU)		-	-	120
Number of students graduated 2008 (total, national, EU, non-EU)	-	-	-	146
Is there a specialisation within in this Degree/the curriculum (eg. housing, transport planning, land use etc.), pls explain	NO			
Does the degree require an assessed period of work in practice, i.e. Internship/placement year (yes/no), If yes, how long?	NO

Please provide a short description of the curriculum/approach	6 terms and 180 ECTS 153 ECTS compulsory courses <ul style="list-style-type: none"> <li>• entry-phase</li> <li>• 15 ECTS: Project 1 (Building regulation planning)</li> <li>• 31 ECTS: Project 2 (Local development planning)</li> <li>• Baccalaureat-seminar</li> <li>• 27 ECTS elective courses and soft-skill-courses</li> </ul>			

<b>B. (Post)Graduate/masters or second cycle degree(s) offered at School/department (please answer questions separately for each degree )</b>				
Planning Degree title/name	<ul style="list-style-type: none"> <li>- Raumplanung und Raumordnung</li> <li>- Urban and Regional Planning</li> </ul>			
Number of years normally used to complete this degree(FT)	- 2			
Is there are part-time option to complete this degree?	- yes			
If there is, please state the number of years usually required for completing the degree part-time (PT)	- 4			
Delivery mode (on campus/ distance learning)	- On university			
How many ECTS:	- 120			
Teaching Language(s)	- German			
	Students from your country	Students from the EU	Non-EU students	Total
Number of Students graduated 2006 (total, national, EU, non-EU) (We started with the master-program in 2005; for this reason we will have the first graduates this semester) <b>Beginners</b>	- 1	- 1	-	2
Number of beginners 2007 (total, national, EU, non-EU)	-	-	-	7
Number of beginners 2008 (total, national, EU, non-EU)	-	-	-	27
Is there a specialisation within in this Degree/the curriculum (eg. housing, transport planning, land use etc., planning in less developed countries), pls explain	Eleven "Moduls" with 13 ECTS to various thematic fields: e.g. European regional development, Spatial Planning in Alpine Areas, Mobility and Space, Participation and conflict management, information-technology			
Does the degree require an assessed period of work in practice, i.e. Internship/placement year (yes/no),	No			
If yes, how long?	-			
Is this programme accredited by a professional body/other institution? Pls name the relevant body(s)	No			
Is this an Erasmus mundus programme?				

**C. Doctoral/PhD education; does your school offer**

<b>B. (Post)Graduate/masters or second cycle degree(s) offered at School/department (please answer questions separately for each degree )</b>				
Planning Degree title/name	<ul style="list-style-type: none"> <li>- Dr. techn.</li> <li>- Dr. rer.soc.oec.</li> </ul>			
Number of years normally used to complete this degree(FT)	- 3			
Is there are part-time option to complete this degree?	- Yes			
If there is, please state the number of years usually required for completing the degree part-time (PT)	- Depends			
Delivery mode (on campus/ distance learning)	- Depends			
How many ECTS:	- 180			
Teaching Language(s)	- German/English			
	Students from your country	Students from the EU	Non-EU students	Total
Number of Students graduated 2006 (total, national, EU, non-EU)	-	-	-	2
Number of students graduated 2007 (total, national, EU, non-EU)	-	-	-	1
	-	-	-	2
Is there a specialisation within in this Degree/the curriculum (eg. housing, transport planning, land use etc., Lesser developed countries), pls explain	No specific curriculum			
Please provide a short description of the curriculum/approach;				

## **Glossary of Terms**

**Academic Staff** Staff members involved in both teaching and research activities.

**Accreditation**

**Doctoral/PhD education**

**Full-time (FT) academic staff** Staff members who hold a 100% post in the School

**Language(s) of programme delivery**  
The language in which the programme/classes are taught

**Mode of Delivery**  
There are different ways to provide education. The traditional mode of education is campusbased meaning students are expected to attend lectures, tutorial etc. in a designated location on campus. Other modes of delivery are online (e.g. using virtual learning environments, elearning) where students work through materials by accessing module content online/remotely and at a time that suits them.

**Part-time (PT) academic staff** Staff members who are employed on an hourly or fractional basis in the school

**Post-Graduate/Graduate/masters or second cycle degree(s)**

**School/Department** The entity or unit in the university offering the planning education degree(s).

**Undergraduate/first cycle degree(s)**
