Curriculum The Bauhaus Dessau Foundation, although not being a regular planning school, invites postgraduates to participate in its international and interdisciplinary postgraduate programme: the Bauhaus-Kolleg (contact via Ina Goegel/Kolleg Manager).

Students and graduates can also participate in planning studies and projects of the International Building Exhibition IBA Stadtumbau 2010 which works on the topic of the shrinking cities in the State of Saxony Anhalt (contact via Regina Sonnabend@iba-stadtumbau.de).

The IBA Stadtumbau 2010 is conceived and organized by the Bauhaus Dessau Foundation and the Saxony-Anhalt State Development Company, SALEG.
